The Academy welcomes applications from students who will achieve English and Maths at Grade 4 plus 3 other GCSEs at grade 4 in discrete subjects. Students are expected to achieve a grade 5 or 6 in those GCSE subjects that they wish to study at Advanced Level. The following factors are used when assessing whether criteria for entry into the Sixth Form have been met:

- Evidence of sustained and committed approach to study throughout KS4.
- Academic profile to date, combined with predicted GCSE grades.
- Pastoral and academic staff recommendations
- Attendance and punctuality record
- Performance at interview

At The JCB Academy, Level 3 students are expected to study a minimum of 3.5 A-Levels or equivalent/combination of vocational qualifications. Students will follow one of the routes highlighted on the ‘Post16 Pathways’ document, which consist of the following: Traditional Pathway (select three A-Levels, or in some cases, students may select four A-Levels) plus the Extended Project Qualification Engineering or Business Diplomas, with the option to study for the Diploma extension, or an additional A-Level.
