

• YEAR 10, 2017-18

**INTRODUCTORY
BOOKLET
FOR
PARENTS**

[this page is intentionally blank]

Academy day

Start time	
Monday-Friday 8:30 am	
Finish times	
Monday and Wednesday 4:00 pm	Buses depart from the academy at 4:10 pm
Tuesday and Thursday 5:00 pm	Buses depart from the Academy at 5:10 pm
Friday 3:45 pm	Buses depart from the Academy at 3:55 pm

Attendance

Regular attendance is vital if students are to achieve in line with their potential. Ensuring regular attendance is every parent's/carer's legal responsibility and permitting absence from school without a valid reason is an offence in law which can result in prosecution. The government classifies students with an attendance percentage below 90% as persistently absent.

During years 10 and 11, students who miss school will miss vital learning which could impact on their performance in examinations; furthermore a student's attendance record forms a significant aspect of their reference for employment and further education opportunities. We are therefore keen to ensure that all students achieve full attendance. We will look to take action with regard to any student whose attendance falls below 95%, or who has unauthorised absences on their registration certificate. Attendance is classed as being present at school - an authorised absence, such as a dental appointment, will lower the attendance percentage. Missing the academy transport resulting in missing the morning register mark will also affect an attendance record.

The academy has an Attendance Policy, copies of which are available on request or via The JCB Academy website. Attendance is split into two sub-sections: absence and leave of absence (holidays).

Attendance - Absence

A letter or email must be provided in advance if your son/daughter needs to attend a medical/dental appointment during the academy day; this should be handed into reception or given to the academy's Attendance Officer. Where

possible we would request that appointments are made late in the afternoon; this is to reduce the impact on lesson time and will have the minimum impact on attendance. For attendance purposes the academy day is split into two sessions: AM registration at 08:30 and PM registration at 13:35. Therefore if a student is absent for one day they will have two absences on their record.

Sickness absence from the academy must be reported to us as soon as possible, and before 9:00 am, preferably by telephoning the academy on 01889 506100 or by email to office@jcbacademy.com. When contacting us please provide information regarding the reason for your son's/daughter's absence and when you think they are likely to return. When your son/daughter returns to the academy a letter should also be provided confirming his/her absence.

Students are expected to remain on academy premises for the day, including any break periods. However, if a student needs to leave the premises during the day, e.g. to attend a dentist appointment, s/he must bring in a letter from home stating the time s/he will be collected. Prior to leaving the academy premises, students must sign out at Student Reception and sign back in on their return. Parents/carers must also contact the academy by telephoning on 01889 506100 or by email to office@jcbacademy.com to confirm what time they will collect the student.

Any other absence, e.g. participation in sporting events, participation in religious festivals or interviews, must be requested as far in advance as possible by completing a Student Leave of Absence form which can be obtained from the Attendance Officer in Student Support (please see section on Holidays). Once completed, forms must be returned to Student Support for consideration. Absences due to bereavements or other sensitive situations can be discussed with the Student Support Team Leader.

Attendance - Leave of Absence (Holidays)

The Department for Education makes it clear that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Requests, to the Principal, should be made well before the desired period of absence. There is no automatic right to any leave in term time. A Leave of Absence form can be downloaded via The JCB Academy website or by contacting the Attendance Officer in Student Support.

Should the academy decide not to grant the leave of absence and the student is taken out of school or the absence is not requested, the absence will be recorded as unauthorised, which may result in a penalty notice fine of £60 per parent per child. This fine will increase to £120 if not paid within 21 days. Failure to pay the £120 fine may lead to court proceedings.

Assemblies

Assemblies are run very formally and students are expected to leave laptops in classrooms and go to assembly in silence. All students are expected to stand for the entry of the Principal and to remain silent and attentive during the assembly. At the end of assembly, students return to their lesson.

Ball Games

Ball games are permitted on the all-weather pitch but are not permitted in any other part of the academy, inside or out. Any student playing a ball game outside of the all-weather pitch will have the ball confiscated until the end of the academy day. Subsequent breach of this rule will result in students having the ball confiscated until the end of the week. It may then only be collected on a Friday afternoon, at the end of the day, from Student Reception.

Bells

The academy does not use bells to identify changes in activities or to identify break times.

Biometric access

Restaurant purchases and printing are accessed via biometric readers at the academy. Students register a digital representation of points on their thumb (this is a digital measure and is not stored as a fingerprint and cannot be recreated as one). To access services students place their thumb on a biometric reader attached to the academy network. Parents give permission for the academy to store and use this data.

Buses

The academy buses are organised following an analysis of the home addresses of all students. Due to the very large catchment area of the academy it is not possible to route the buses throughout this area; therefore, on the whole, buses go along main routes and stop in the main towns or villages. Bus routes and times will be available following negotiation with the bus companies. Should you have any issues with the arrangements this should be raised directly with the Director of Finance & Operations at the academy. Additionally, we monitor behaviour on the buses; if you have any concerns over any incidents on the academy bus, please contact the Deputy Director of KS4.

CCTV

CCTV is in operation in certain parts of the academy building and grounds for crime prevention purposes.

Chewing gum

Due to the mess created by chewing gum it is not allowed anywhere in the academy or its grounds. Any student caught with chewing gum is asked to dispose of it and has house points deducted.

Coats, scarves, hats and bags

Once inside the academy it is not necessary for students to wear a coat (apart from their suit jacket), scarf or hat. As such, students are expected to place coats, scarves and hats in lockers at the start of the day and retrieve these for breaks and at the end of the day. Lockers are provided for the storage of bags and therefore students should place their PE bag in the locker at the start of the day. During the day students will not need to carry books around the academy, only a laptop, equipment and a small folder in which to put any notes they may need to make on paper.

Contacting The JCB Academy

If you have a concern you wish to raise with the academy, then the first point of contact should be your son's/daughter's Mentor; please telephone Reception who will take a message for them to contact you. Mentors will be in regular contact with you by email if you provide us with an email address.

Concerns about a particular lesson should be initially raised with the relevant Learning Manager (class teacher).

Communication between the academy and home is vital to ensure every student achieves their potential. Please, therefore, do not hesitate to contact us if you have any concerns or wish to seek clarification on anything that has occurred during the academy day.

If you have concerns regarding your son's/daughter's emotional wellbeing we would urge you to contact the academy's Student Support Team Leader.

Day-to-day information

From time to time notices need to be conveyed to students concerning change of rooms, etc. which will be given out by Mentors in a weekly session in house time.

Detentions

Detentions are set for poor behaviour or lack of effort; all detentions take place during lunchtimes, apart from the Principal's Saturday morning detentions.

In all cases, a detention notice is given to the student which should be taken home. Parents will be contacted by telephone or letter regarding Principal's Saturday detentions.

Eating

Year 10 and Year 11 students are only permitted to eat in the restaurant. Students are not permitted to eat in any other area in the academy. Students are expected to dispose of litter in the bins provided.

Equipment

It is expected students will bring their laptop, a pen, pencil, ruler, protractor and calculator to each lesson.

Exams

Students are entered for examinations as required by the relevant board to achieve accredited qualifications. The academy will fund the first sitting of the examination for all students. In some instances students can retake the examination to improve their grade or mark. In these circumstances the academy will charge.

Examinations are run in accordance with the rules set by the exam boards. These are explained to students to ensure they are well understood. Any breaches of these rules can result in the exam board withholding qualification awards for the student. Therefore it is imperative students pay careful attention to the set procedures.

Extension activities

A wide range of extension activities are available for students from 1:30 pm until 4:00 pm on Wednesday and students are asked to choose which activities they wish to participate in.

In very exceptional circumstances it may be necessary for students to stay after the finish time of 4:00 pm (for example, if the football team are playing an away match in a county final). When this situation occurs, parents will be notified in advance.

Financial assistance

Parents can request financial support in relation to uniform, school transport and academy trips.

1. Parents in receipt of:
 - Income Support
 - Income-based Job Seeker's Allowance
 - Income related employment and support allowance
 - Child Tax Credit and/or Working Tax Credit
 - Guarantee element of the State Pension Credit

- Support under Part VI of the Immigration & Asylum Act 1999

should complete an application form and include relevant evidence of household income:

- full tax credit statement (six page statement)
- benefit statement
- recent payslip or P60
- evidence of self-employed earnings
- evidence of other household income e.g. interest from savings, pension.

Please also include any special circumstances in a covering letter which may affect the decision, e.g. number of school-aged children in the family.

The completed application form should be sent to:
Admin Office FAC
The JCB Academy
Mill Street
Rocester
Staffordshire
ST14 5JX

2. Parents not eligible for financial support may request extended payment terms by contacting the academy on 01889 506100 or emailing office@jcbacademy.com

Please note that each case is considered on an individual basis and parents may be required to meet with the Principal.
Any financial assistance is provided at the Principal's discretion.

Footwear

Students are required to wear suitable black footwear which should be in the form of a sensible type shoe. For day-to-day wear (excluding workshops) students are not permitted to wear boots (this is defined as anything going over the ankle). Should a student need to wear any other footwear than described in the academy policy, a formal doctor's note will be required. Dolly-type shoes and trainers are not acceptable footwear. Trainers should only be worn when participating in sport, if worn at any other time they will be confiscated and alternative footwear will be provided for the day.

All students are also required to purchase safety workboots which are worn in the workshops. These are available from the academy and paid for via ParentPay.

Hair

Extreme styles are not condoned by the academy. Hair must be of a natural colour. If the hair is over shoulder length then it should be tied back for all practical lessons or where health and safety requires it. Shaving of any part of the head is not accepted, (a cut on a number 2 setting or above is acceptable) nor is the use of gel to create unusual styles.

Headsets in laptops

Students in Year 10 and Year 11 are only permitted to use headsets in laptops to access learning resources as part of the curriculum; they are not allowed to use headsets to listen to music.

Students in the Sixth Form are allowed to use headsets in The Lodge, the IEZ and in break out areas.

Homework

Due to the length of the academy day, students in Year 10 and Year 11 are not expected to undertake homework, other than revision for tests and exams.

House points

House points are awarded to reward behaviour in the following areas:

- "Can do/will do".
- Pursuit of technical and academic excellence.
- Achieving through action.
- Passion for quality.
- Creating and enterprising behaviour.
- Team and leadership capacity.

House points are also awarded at the end of each challenge for:

- Reliability over the challenge.
- Individual achievement within an extension activity.
- Achievement in house competitions.
- Attendance above 95% over the challenge.
- Achievement of target grades in more than 80% of subjects.
- Not receiving negative house points during the challenge.

House points are deducted for:

- Negative behaviours that result in a formal sanction.
- Lateness to a session.
- Failure to comply with uniform requirements.
- Disruption.

- Chewing gum.
- Use of a mobile telephone or similar.
- Failure to bring appropriate equipment.

Information

We aim to keep parents updated on a regular basis about what is going on at The JCB Academy through our website, Facebook and Twitter accounts. Important dates, events and news will be also communicated via email. *Should you not have access to a computer or an email then we can arrange for a printed version to be sent out. Please notify the academy if you'd prefer a paper version.*

Jewellery

A watch plus one other item of jewellery may be worn - this may be either a plain ring or fine chain or for pierced ears small studs or sleepers (gold or silver in colour with a maximum of one in each ear). Studs worn in the nose or any other part of the face are not allowed (this includes the tongue). We request that parents do not allow students to have piercings in any other part of the body as students will not be allowed to participate in any academy activity until such time as they are removed.

Lockers

Lockers are available for all students upon a non-refundable payment of £5 via ParentPay. A further charge of £5 will be incurred for replacement keys.

Lunchtime

It is expected that all students remain at the academy during the lunchtime period. In exceptional cases students will be granted a pass to leave the premises for a specific reason.

The lunch period is 40 minutes in duration and all students are expected to spend 10 minutes in the restaurant. Those who have a packed lunch should collect it on the way to the restaurant. This communal experience is important to the culture at the academy and, therefore, all students eat communally with their group for the first part of the lunch break.

The restaurant serves a range of hot and cold meals as well as sandwiches and snacks. Payment is via the meal account on ParentPay which needs to have adequate funding on it to purchase the required meal items (please see below for ParentPay details). Money will be deducted from the account at the till.

Make up and nail varnish

Students are permitted to wear neutral shades of make up. Nail varnish is not permitted; students wearing nail varnish will be directed to remove it and will be issued with negative house points.

Mentors

Each student is allocated a Mentor who acts as the first point of contact for parents. Each Mentor is responsible for the academic and pastoral welfare of their students. Students meet with their Mentor individually every fortnight. During the meeting the Mentor and the student will agree academic targets for the following four weeks; a summary action plan and targets is then emailed/posted home to parents. An interim meeting to progress check the targets set takes place after approximately two weeks.

Medical

Students with injuries are seen by a first aider. Parents are informed immediately of serious injuries or serious illness. All injuries and treatment are recorded.

On-going medication for students is kept in the medicine cabinet. Parents are asked to complete a medication permission form. Students are then responsible for administering their own medication under the supervision of the first aider.

Mobile telephones

The use of mobile telephones within the academy grounds is not permitted at any time. They are valuable, easily lost and can at times disrupt the educational process. We do understand that students may wish to have a mobile telephone in their bag at the academy due to the long bus journey. If this is the case, it should be switched off and kept out of sight. Any student seen with a mobile telephone within the grounds, whether it is being used or not (use includes receiving messages or calls), will have it confiscated until the end of the day. Should it be confiscated from a student on a second occasion in a challenge cycle then it will be held by the academy until the Friday. Should this be repeated on a third occasion, the telephone will be retained until Friday and not returned until such time as a parent can come and collect it on behalf of the student.

If a family emergency requires your son/daughter to use a mobile telephone in the academy for a specific day or days, please contact us to arrange this. Additionally, should a student need to make a personal call during the day, this can be arranged through Student Support.

Movement around the academy

To ensure everyone can get around the academy easily and effectively, students are expected to walk on the left.

Students are also expected to wear their suit jacket at all times in corridors and about the building.

MP3 players and iPods

The use of MP3 players and iPods is not permitted within the academy grounds, including break-out areas, the IEZ and the restaurant. MP3 players and iPods brought to the academy must be switched off and kept out of sight in bags at all times that students are within the grounds. Any student using an MP3 player or iPod (or similar) within the grounds will have the equipment confiscated.

Parents' evenings

For each year group a parents' evening is held once per year. Parents are advised of the actual dates and times of events by letter and via the mentoring process and appointments can be made via our website.

In Year 10 an additional evening is held to enable parents to meet key staff; we would encourage all parents to attend if at all possible as not only can these be very valuable to gain an understanding of your son's/daughter's progress but also to be seen to be supporting your son/daughter through their education.

ParentPay

All payments for food in the restaurant, trips and visits, or academy out of school events are processed online via ParentPay. Each student is allocated a unique log-in which gives access to the ParentPay service. Via this mechanism parents are able to pay for items at the academy and credit funds to their son's/daughter's restaurant account. For parents without access to the internet the payments can be made via one of the numerous 'PayPoint' outlets which are available in many local stores. You will need a payment card or bar-coded letter to pay via PayPoint, available from the academy.

Payment for trips and visits

All payments should be made via the ParentPay system. Trips and visits are co-ordinated by staff and for extra-curricular trips advertised to students via email. Letters are sent home to parents to confirm agreement with your son/daughter taking part in the trip and confirming agreement to make any required payment.

Policies

There is a full range of academy policies covering topics such as collective worship, sexual education and guidance, bullying, discipline, etc., which are available upon request.

Prefects

Year 11 Prefects have the role of providing support and guidance to all students in Year 10. They can be identified by their Prefect badge. If your son/daughter has any concerns or questions they wish to ask a fellow student, the Prefects will be more than happy to help.

Year 13 Prefects provide guidance for their Year 11 team and can be identified by their senior Prefect badge.

Reports and progress checks

A full report is issued once per year. A progress check which indicates target GCSE grades and achievement to date is issued at the end of each challenge (eight week block of work). This progress check provides a snapshot of progress and effort. The aim is for the academy and parents to monitor performance in an ongoing manner by checking progress against target. Each student will be seen by their Mentor following the progress check and will agree a set of targets for continuous improvement - a copy of these targets will be sent home.

Rewards

It is important that students are rewarded for their efforts and the academy has an extensive rewards programme.

Certificates

- Positive house points are also totalled on a cumulative basis each term with certificates presented in assemblies:
 - 100 house points *bronze certificate*
 - 200 house points *silver certificate*
 - 300 house pints *gold certificate*
 - 400 house points *platinum certificate*

Prizes

- Total house points for Year 10 and Year 11 are added up (separately) at the end of each half term and the winning house in each year is announced at the first assembly of the following term. Trophies are awarded to the winning houses which is decorated with ribbon in the appropriate colour and displayed in Reception.
- A prize (e.g. computer games console or iPod or similar) is also awarded to a student within the winning house. All the positive house point slips awarded to students in the winning house during the term are put into a bucket and the Principal draws a winning slip in the assembly where the winning house is announced.

- The student with the highest aggregated house point score each term also receives a prize (MP3 player or similar) which is presented in the first assembly of the following term. The student also receives a certificate and a letter home.
- Students are also awarded prizes for accumulating a certain number of positive house points during an academic year:
 - 300 points Academy ballpoint pen
 - 400 points Academy fountain pen

House points are totalled at the end of each term and the prizes presented in the first assembly of the next term.

Annual Awards Evening

Each year there is an awards evening for students and parents when the following awards are presented together with an appropriate gift.

There are prizes for:

Y10

- Engineering Student of the Year
- Manufacturing Student of the Year
- Mathematics Student of the Year
- English Student of the Year
- Modern Linguist of the Year
- Scientist of the Year
- PE Student of the Year

Y11

- Business Student of the Year
- Engineering Student of the Year
- Manufacturing Student of the Year
- Mathematics Student of the Year
- English Student of the Year
- Modern Linguist of the Year
- Scientist of the Year
- PE Student of the Year

Y12

- Business Student of the Year
- Engineering Student of the Year
- Engineering Progress Student of the Year
- Manufacturing Student of the Year
- Mathematics Student of the Year
- English Student of the Year
- Scientist of the Year

- ICT Student of the Year
- PE Student of the Year

Y13

- Business Student of the Year
- Engineering Student of the Year
- Engineering Progress Student of the Year
- Manufacturing Student of the Year
- John Shepherd Hydraulics Award
- Mathematics Student of the Year
- English Student of the Year
- Scientist of the Year
- ICT Student of the Year
- PE Student of the Year

Whole Academy

- Pursuit of Technical and Academic Excellence
- Team and Leadership Capacity
- Can Do/Will Do
- Creative and Enterprising Behaviour
- Supporting Others
- Achieving through Action
- Service to The Academy
- Passion for Quality
- Notable Performance in Extra-curricular Activities
- Governors' Progress Prize
- Student of the Year

Apprentices

- L2 Craft Apprentice of the Year
- L3 Technical Apprentice of the Year
- L4 Higher Apprentice of the Year

SchoolComms

We will often communicate important information to you via a messaging system called SchoolComms. This system enables us to communicate with students and/or parents via a text message or an email. It is therefore important that you keep the academy updated with any changes to contact telephone numbers or email addresses.

Smoking

The JCB Academy is a no smoking site and any breaches of this policy will be dealt with seriously. Students are not allowed to smoke anywhere on academy premises, at any time on an educational visit (whether or not they are in uniform) or in any other location whilst in academy uniform. Any student found in

possession of cigarettes, e-cigarettes or any other smoking materials will have them confiscated and they will be destroyed after one month unless collected by a parent.

Timetable

Each student is provided with their timetable on the first day of term (this gives details of subjects, teachers and rooms for each lesson). We recommend that in the first few weeks parents work with their son/daughter to get into the academy routine, particularly with reference to the days they need their PE kit or boilersuit.

Uniform

Students are expected to wear full academy uniform, details of which are appended to this booklet.

Prior to joining the academy there is an opportunity to purchase uniform at a 'Fit and Kit' evening. Thereafter, uniform is ordered direct from our uniform supplier, Clive Mark Schoolwear.

All students are also required to purchase safety workboots which are worn in the workshops. These are available from the academy and paid for via ParentPay.

Students are also required to wear safety glasses at all times when in the workshops. Students can borrow safety glasses from the academy or they can purchase their own pair direct from the academy.

The academy welcomes and celebrates diversity and, therefore, if any of the above requirements cut across recognised religious or cultural modes of dress, we will be happy to discuss this with parents/carers.

Water

Water keeps the brain hydrated enabling it to work efficiently. We encourage students to bring water in clean bottles to lessons and water coolers are provided around the academy. Please note that students are not allowed to bring other drinks to lessons.

Wet lunch/break arrangements

On wet days students can spend the break period in the restaurant or in other designated spaces.

Work experience

It is an academy expectation that all students have one week's work experience for each year.

In Year 10, this takes place in February; in Year 11, this takes place in September and Year 12 complete two weeks of work experience during July. Work experience does not take place in Year 13.

Year 10 students will receive a Careers & Work Experience Handbook and attend lessons which will guide and support them in arranging their placement. Any queries in relation to work experience should be directed to the Careers Education & Guidance Co-ordinator who is based in Student Support.

Wrist bands

Students are permitted to wear one charity band. Festival bands are not allowed, neither are beads or friendship bracelets.

YEAR 10 UNIFORM

You will need to purchase uniform for your son/daughter during a uniform purchasing evening. You will be notified in due course of which date you will be required to attend.

There will be a special uniform package available to purchase during this evening at a reduced cost for the following items. **This package/price will only apply during this evening, thereafter uniform items will have to be bought separately at the prices stated overleaf.**

UNIFORM PACKAGE: £160.00

JCB Academy Suit Jacket	JCB Academy PE Shorts OR Skort
JCB Academy Trousers OR JCB Academy Skirt	JCB Academy PE T-shirt (in House colour)
JCB Academy Pullover	JCB Academy Rugby Shirt (in House colour)
JCB Academy Tie (in House colour)	JCB Academy Sports Socks (in House colour)
JCB Academy Boilersuit	JCB Academy Tracksuit Bottoms

NB: All students will also be required to purchase protective work boots; further information will be available at the uniform purchasing evening.

SIZING INFORMATION

If your son/daughter requires uniform in a size other than those listed below and in the price list overleaf, please make us aware of this immediately so that we can make the appropriate arrangements.

BOYS TROUSERS: Available waist/leg length sizes:

24/23	24/25	25/25	25/27	26/26	26/28	27/27	27/29	28/25	28/27
28/30	29/27	29/29	29/31	30/29	30/31	30/33	32/29	32/31	32/33
34/29	34/31	34/33	36/29	36/31	36/33	38/31	38/33	40/31	40/33

GIRLS TROUSERS - Available waist/leg length sizes:

22/22	22/24	23/23	23/25	24/25	24/27	25/26	25/28	26/25	26/27
26/29	28/26	28/28	28/30	30/27	30/29	30/31	32/27	32/29	32/31
34/29	34/31	34/33	36/29	36/31	36/33	38/31	38/33	40/31	40/33

The following items will be available to purchase from our uniform supplier:

BOYS - Year 10/11

Item	Size	£
Academy Embroidered Navy Suit Jacket	29" - 33" chest	£36.95
Academy Embroidered Navy Suit Jacket	34" - 36" chest	£44.50
Academy Embroidered Navy Suit Jacket	38" - 48" chest	£46.99
Academy Navy Trousers	24" - 25" waist	£26.95
Academy Navy Trousers	26" - 27" waist	£27.95
Academy Navy Trousers	28" - 29" waist	£28.50
Academy Navy Trousers	30" - 34" waist	£29.50
Academy Navy Trousers	36"- 38" waist	£29.95
Academy Navy Trousers	40" - 44" waist	£30.25
Academy Embroidered Grey Pullover*	11/12-XXS	£17.25

* Optional items

Skirts must sit on the knee and come in two different lengths: 20" and 22"

Students are also expected to wear the following with their uniform suit, all of which are available from major stockists:

- White shirt with collar.
- Black shoes which need to be robust (e.g. no dolly-type shoes for girls).
- Blue or black socks.
